

MEMORANDUM

TO: MR PARRISH
FROM: CHARLES LISTER
DATE: 17 JANUARY 1992

Steve

Helmut asked me to meet him to discuss the 1992 budget. He then wrote a memorandum which tries to blame me for his 1991 budget problems. I should have expected it. On those rare occasions when the Austrian army actually fought, it fought best in retreat, where it was most experienced. I sent a corrective response. Neither is necessary, but you might be shown only one so I attach both. File them under "Vienna Waltz". Or perhaps "Austerlitz".

As a separate matter, I would like to update you regarding the consultants. Anywhere and anytime convenient to you.

Regards.
